

HAIDA GWAII SOCCER LEAGUE FAMILY CAMPGROUND

We would like to welcome you to the Haida Gwaii Soccer League Family CampGround. We're very excited at the opportunity to run the campground for the Edge of the World Music Festival. This is our 2nd year running this and we have been organizing a lot of people to help get this off the ground. All of the organization/work/hosting...etc has been done by 100% volunteers.

The campground is located on the Tlell Soccer fields, located 5kms south of the EOTW festival grounds. The grass field areas allows us to host many more tenters than ever before, as well we can hold up to 15 Travel trailers and/or truck campers with a max length of 28'.

This is a first come first serve campground. We can hold sites, an etransfer would need to be confirmed before a space is held.
